

The grid is a 9x9 representation of a 3x3x3 Rubik's cube. It is divided into 27 smaller squares. The numbers and symbols are as follows:

- Row 1:** 9, 7, (empty), (empty), 1, 2, (empty), (empty), (empty)
- Row 2:** (circle with 1), 1, (circle with 2), (circle with 9), ← 5, (circle with 1), ↘ (empty), (empty)
- Row 3:** ↙ (empty), (empty), 2, (empty), ← 1, (empty), ↘ (empty), (empty)
- Row 4:** (empty), (empty), 5, (empty), (circle with 9), (empty), ↘ (empty), 1
- Row 5:** (empty), (circle with 1), 1, (empty), (circle with 6), (empty), (empty), (circle with 9)
- Row 6:** 2, (circle with 9), 5, 3, ↘ (empty), (empty), (empty), ↗ (empty)
- Row 7:** ↙ (empty), (empty), 4, (empty), (empty), (empty), (circle with 9), (empty)
- Row 8:** (circle with 1), ↘ (empty), (empty), ↗ (empty), 2, (circle with 5), 6, 3
- Row 9:** 5, (empty), (empty), (empty), (empty), (empty), (empty), (empty), → (empty)

Arrows indicate the movement of pieces between adjacent squares:
