

A 9x9 grid with numbers and paths. The grid is divided into three 3x3 sub-grids by thick black lines. The numbers are as follows:

9						1		
						2		
	6	5		1		9		4
		2			9		4	
	5				6			
8			1	2			7	
	1		5					
			7	9		1	5	3
								7

Gray paths are drawn on the grid, connecting circles. The paths are as follows:

- Top-left path: (1,1) to (1,2) to (1,3) to (2,3) to (2,4) to (3,4).
- Top-middle path: (1,4) to (1,5) to (2,5) to (2,6) to (3,6).
- Top-right path: (1,7) to (1,8) to (2,8) to (2,9) to (3,9).
- Middle-left path: (3,1) to (4,1) to (4,2) to (4,3) to (5,3) to (5,4) to (6,4) to (6,5) to (7,5) to (7,6) to (8,6) to (8,7) to (9,7) to (9,8) to (9,9).
- Middle-middle path: (3,4) to (4,4) to (4,5) to (5,5) to (5,6) to (6,6) to (6,7) to (7,7) to (7,8) to (8,8) to (8,9) to (9,9).
- Middle-right path: (3,7) to (4,7) to (4,8) to (5,8) to (5,9) to (6,9) to (6,10) to (7,10) to (7,11) to (8,11) to (8,12) to (9,12).
- Bottom-left path: (6,1) to (6,2) to (7,2) to (7,3) to (8,3) to (8,4) to (9,4) to (9,5) to (9,6) to (9,7) to (9,8) to (9,9).
- Bottom-middle path: (6,4) to (7,4) to (7,5) to (8,5) to (8,6) to (9,6) to (9,7) to (9,8) to (9,9).
- Bottom-right path: (6,7) to (7,7) to (7,8) to (8,8) to (8,9) to (9,9) to (9,10) to (9,11) to (9,12).
