

A 6x6 grid with numbers 1-9 and paths of circles and lines. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4, and a horizontal line between rows 3 and 4. The numbers are placed in the top-left, top-right, and bottom-right quadrants, while the paths are drawn in the bottom-left and bottom-right quadrants. The paths consist of circles connected by lines, forming a complex network of routes.
