

The image shows a 3x3 grid of a Numberlink puzzle. The grid contains numbers 1-9 and circles representing endpoints. Lines connect the endpoints to solve the puzzle. The solution is shown with grey lines.

3	9	6
7	5	1
4	1	5

The solution is shown with grey lines connecting the endpoints. The connections are as follows:

- 3 connects to 7
- 4 connects to 4
- 5 connects to 5
- 6 connects to 6
- 7 connects to 7
- 8 connects to 8
- 9 connects to 9
