

A 9x9 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,1)=7, (1,2)=6, (1,3)=8, (1,4)=2, (1,5)=4, (1,6)=3, (1,7)=6, (2,3)=6, (3,1)=3, (3,2)=2, (3,4)=4, (3,7)=5, (3,8)=1, (4,1)=4, (4,2)=8, (4,3)=2, (4,4)=6, (4,5)=9, (4,7)=3, (5,1)=6, (5,2)=7, (5,6)=2, (6,6)=8, (6,7)=1. A path of grey lines connects the numbers in the following order: 2 (1,4) to 4 (1,5) to 3 (1,6) to 6 (1,7) to 1 (3,8) to 7 (4,7) to 3 (4,6) to 9 (4,5) to 6 (4,4) to 2 (3,2) to 4 (3,4) to 2 (1,2) to 6 (1,1) to 8 (1,3) to 8 (6,6) to 1 (6,7).
