

A 3x3 grid with numbers 1-9 and a continuous path of gray lines. The path starts at the top-left cell (1,1), goes right to (1,2), then down to (2,2), then right to (2,3), then down to (3,3), then left to (3,2), then up to (2,2), then left to (1,2), then down to (1,1). The path is a single continuous line that visits all cells exactly once.
