

A 6x6 grid with numbers and paths. The numbers are placed in the following cells: (1,1)=2, (1,4)=1, (1,5)=6, (1,6)=3, (2,3)=7, (2,5)=2, (2,6)=4, (3,1)=7, (3,2)=6, (3,4)=9, (3,5)=6, (4,1)=9, (4,3)=2, (4,4)=4, (4,5)=1, (5,2)=7, (5,3)=5, (5,5)=8, (5,6)=1, (6,3)=8, (6,4)=3, (6,5)=4, (6,6)=2, (7,3)=1, (7,4)=5. The paths are shown as gray lines connecting the numbers in a continuous sequence.
