

A 3x3 grid with numbers 1-9 and a continuous path. The path starts at the top-left cell (1,1) and ends at the bottom-right cell (3,3). The path is a single continuous line that visits every cell exactly once. The numbers in the cells are: (1,1)=1, (1,2)=4, (1,3)=8, (2,1)=4, (2,2)=5, (2,3)=1, (3,1)=4, (3,2)=5, (3,3)=9. The path is a single continuous line that visits every cell exactly once.
