

A 3x3 grid with numbers and a continuous line. The numbers are: (1,1)=6, (1,2)=7, (1,3)=7, (1,4)=2, (1,5)=9, (1,6)=5, (2,1)=7, (2,2)=6, (2,3)=4, (2,4)=8, (2,5)=6, (2,6)=8, (3,1)=4, (3,2)=7, (3,3)=4, (3,4)=2, (3,5)=1, (3,6)=9, (3,7)=4. The line starts at (1,2), goes down to (2,2), right to (2,3), up to (2,4), right to (2,5), down to (3,5), left to (3,4), up to (3,3), left to (3,2), down to (3,1), right to (2,1), up to (1,1), right to (1,2).
