

A 9x9 grid with numbers and a continuous path. The numbers are placed in the following cells (row, column): (1,2)=4, (1,3)=7, (1,5)=3, (1,7)=5, (2,1)=9, (2,3)=8, (2,5)=2, (2,7)=4, (2,8)=7, (2,9)=3, (3,1)=7, (3,2)=5, (3,4)=2, (3,6)=4, (3,8)=2, (3,9)=9, (4,1)=2, (4,4)=3, (4,5)=5, (4,7)=7, (4,9)=4, (5,1)=1, (5,4)=5, (5,8)=3, (6,8)=9. A continuous path of grey lines connects the numbers in the following order: 4-7-8-2-4-7-3-2-9-5-4-7-4-3-9.
