

A 6x6 grid with a 3x3 block of numbers in the center. The numbers are arranged as follows:

		1	6	4	7
1	6	5	5	8	2
7					4
	5	7	4		2
4			1	6	9

The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4, and a horizontal line between rows 3 and 4. The numbers are placed in the center of the grid, with some numbers overlapping the grid lines. A path of gray lines is drawn through the grid, starting from the top left and ending at the bottom right, passing through the numbers 1, 6, 5, 5, 8, 2, 4, 2, 9, 7, and 3.
