

A 9x9 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,1)=9, (1,4)=2, (1,7)=3, (1,8)=5, (1,9)=6, (2,1)=3, (2,4)=8, (2,5)=5, (2,7)=2, (3,4)=8, (3,5)=6, (3,7)=3, (3,8)=4, (3,9)=6, (3,10)=9, (4,1)=9, (4,2)=4, (4,3)=6, (4,7)=6, (4,8)=7, (5,1)=1, (5,4)=9, (5,5)=2, (5,7)=7. A path of gray lines connects the numbers in the following order: 9 (1,1) -> 3 (1,4) -> 8 (2,4) -> 5 (2,5) -> 6 (3,5) -> 3 (3,7) -> 4 (3,8) -> 6 (3,9) -> 9 (3,10) -> 6 (4,3) -> 7 (4,8) -> 2 (5,5) -> 9 (5,7).
