

A 6x6 grid with numbers and a path. The numbers are placed in the following cells (row, column): (1,1)=7, (1,3)=6, (1,4)=4, (1,6)=2, (2,1)=1, (2,5)=4, (2,6)=6, (3,2)=8, (3,3)=3, (3,4)=1, (3,5)=2, (3,6)=2, (4,2)=6, (4,5)=2, (5,2)=7, (5,4)=8, (5,5)=6, (5,6)=4, (5,6)=5, (6,1)=8, (6,4)=7, (6,5)=2, (6,6)=1, (6,6)=9. A path of grey lines connects the numbers in the following order: 7, 1, 6, 8, 3, 4, 2, 6, 2, 1, 3, 6, 2, 1, 9.
