

PUZZLE MADNESS

Daily Medium Futoshiki Puzzle for Saturday 17th November 2018

		3		<	
					>
6		5			>
	>		<		<
	<		5	>	

The puzzle grid is a 6x6 square. The numbers 3, 5, and 6 are placed in the second, third, and fourth rows, second column respectively. The numbers 6 and 5 are placed in the fourth row, first and second columns respectively. The number 5 is placed in the sixth row, fourth column. The comparison symbols are as follows:

- Row 2: < between columns 4 and 5
- Row 3: > between columns 5 and 6
- Row 4: > between columns 5 and 6
- Row 5: > between columns 1 and 2, < between columns 3 and 4, < between columns 5 and 6
- Row 6: < between columns 1 and 2, > between columns 4 and 5
