

A 6x6 grid with numbers and grey lines. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4, and a horizontal line between rows 3 and 4. Numbers are placed in the top-left, top-right, and bottom-right quadrants. Grey lines connect numbers in the top-right and bottom-right quadrants, and also connect numbers in the top-left and bottom-left quadrants.
