

The figure displays a 3x3 grid of 9 scatter plots, each with a title (1-9) and a different arrangement of 10 data points (black dots and white circles). The data points are distributed across the grid as follows:

- Plot 1:** 10 points, including 1 black dot and 9 white circles.
- Plot 2:** 10 points, including 1 black dot and 9 white circles.
- Plot 3:** 10 points, including 1 black dot and 9 white circles.
- Plot 4:** 10 points, including 1 black dot and 9 white circles.
- Plot 5:** 10 points, including 1 black dot and 9 white circles.
- Plot 6:** 10 points, including 1 black dot and 9 white circles.
- Plot 7:** 10 points, including 1 black dot and 9 white circles.
- Plot 8:** 10 points, including 1 black dot and 9 white circles.
- Plot 9:** 10 points, including 1 black dot and 9 white circles.
