

A 10x10 grid with a complex black path drawn through it. The path starts at the top-left corner (row 1, column 1) and ends at the bottom-right corner (row 10, column 10). The path is composed of several connected segments, forming a maze-like structure. The path is drawn with a thick black line, while the grid lines are thin and light gray. The path visits the following cells (row, column): (1,1), (1,2), (2,2), (2,3), (3,3), (3,4), (4,4), (4,5), (5,5), (5,6), (6,6), (6,7), (7,7), (7,8), (8,8), (8,9), (9,9), (9,10), (10,10). The path is a single continuous line that visits 20 cells in total.
