

A 10x10 grid with a complex black path and a light gray shaded area. The path starts at the top-left corner (0,0) and winds through the grid, ending at the bottom-right corner (9,9). The path is composed of horizontal and vertical segments. The area to the right of the path, from column 5 to column 9, is shaded light gray. The path itself is black, and the unshaded area to the left of the path is white. The grid lines are thin and gray.
