

The grid is a 6x6 square divided into four 3x3 quadrants by a central 2x2 area. The numbers and paths are as follows:

	1	4			
			7	3	
	5	7	6		3
7	4			3	1
			3		8
2	7	3		2	4
				4	5
		5	8		6
					7
					1

The paths are continuous across the grid, starting from the top-left and ending at the bottom-right. The paths are composed of diamonds and are drawn in a way that they are continuous across the grid.
