

A 4x4 grid with numbers and diamonds. The grid is divided into four 2x2 quadrants. The top-left quadrant has numbers 5, 4, 6, 2, 3. The top-right quadrant has numbers 3, 5, 7, 4, 9, 2. The bottom-left quadrant has numbers 2, 4, 9, 7. The bottom-right quadrant has numbers 1, 4, 7, 2, 4. Diamonds are placed at various intersections and some contain numbers. A thick grey line connects several diamonds in a path.
