

The image shows a 9x9 grid used for a logic puzzle. The grid is divided into three vertical sections by two thick black lines. Each section has four rows. The numbers 1 through 9 are placed in specific cells, and gray paths connect them to form a solution.

3						9		4
1					2			
					5	6	4	
		3	7	1				
8		7		6	9			
9	8							6
6	4	1				2		
7							8	5
