

The grid contains the following numbers and diamond markers:

	9		2			5	1	
	5	7	9	6				
			5				8	
	7				3		4	
	1						9	
		3	4				6	
	6							4
		9				8		6
	4	3					7	

The gray line path connects the diamond markers in the following sequence of cells (row, column): (1,1) → (1,2) → (2,1) → (2,2) → (2,3) → (3,3) → (3,4) → (3,5) → (3,6) → (3,7) → (4,7) → (4,8) → (4,9) → (5,9) → (5,8) → (5,7) → (5,6) → (5,5) → (5,4) → (5,3) → (5,2) → (5,1) → (6,1) → (6,2) → (6,3) → (6,4) → (6,5) → (6,6) → (6,7) → (6,8) → (6,9) → (7,9) → (7,8) → (7,7) → (7,6) → (7,5) → (7,4) → (7,3) → (7,2) → (7,1) → (8,1) → (8,2) → (8,3) → (8,4) → (8,5) → (8,6) → (8,7) → (8,8) → (8,9) → (9,9) → (9,8) → (9,7) → (9,6) → (9,5) → (9,4) → (9,3) → (9,2) → (9,1) → (8,1).
