

The image shows a 10x10 grid with thick black lines forming a complex pattern of squares and rectangles. The pattern is composed of several interconnected shapes, including a large central square, a smaller square to its left, and various rectangular blocks of different sizes. The thick lines create a series of nested and adjacent rectangles, some of which are filled with a light gray color, while others are white. The overall effect is a complex, geometric design that resembles a stylized maze or a complex floor plan.
