

PUZZLE MADNESS

Daily Medium Rossini Sudoku Puzzle for Saturday 17th April 2010

The image shows a 9x9 Sudoku grid with some numbers pre-filled. The grid is divided into 3x3 sub-grids. The numbers are as follows:

		7	6					8
						2		
			4		8		3	
	1	5	7	2		6		
								9
	7				4			
		1	8	3	7		2	5
	9			4				1
	8			1			6	

Arrows indicate the puzzle's difficulty level: an upward arrow above the first column, three downward arrows above the second, third, and fourth columns, two upward arrows below the fifth and sixth columns, and leftward arrows to the left of the first, second, and eighth rows, and a rightward arrow to the right of the first row.
