

The diagram shows a 9x9 grid divided into a 3x3 grid of 3x3 subgrids. The grid contains the following numbers:

		4	5		8			
	5					3		
		7	6					4
		9		5	7			
			8	2	6			
	8		1	9				
6				7	1		9	3
					3		4	
							6	

Arrows indicate constraints:

- Two downward arrows above the first two columns.
- Two rightward arrows to the left of the first two rows.
- Two rightward arrows to the right of the last two columns.
- Two leftward arrows to the left of the last two rows.
- One downward arrow below the sixth column.
