

A 6x6 grid with numbers and arrows indicating a path. The grid is divided into four 3x3 quadrants by a vertical line between columns 3 and 4 and a horizontal line between rows 3 and 4. Numbers are placed in various cells, and arrows point to specific cells from outside the grid.

Arrows pointing to the grid:

- Up arrow pointing to row 1, column 2.
- Down arrow pointing to row 1, column 3.
- Down arrow pointing to row 1, column 4.
- Down arrow pointing to row 1, column 5.
- Right arrow pointing to row 1, column 1.
- Left arrow pointing to row 4, column 1.
- Left arrow pointing to row 5, column 1.
- Down arrow pointing to row 6, column 5.
- Up arrow pointing to row 6, column 6.
- Right arrow pointing to row 1, column 6.
- Left arrow pointing to row 5, column 6.
- Left arrow pointing to row 6, column 6.
