

A 10x10 grid with a light gray background and a darker gray grid. 40 white circles with black outlines are scattered across the grid. The circles are distributed in a way that appears random, with some clusters and some empty spaces. For example, there are circles at (row, column) coordinates such as (1, 1), (1, 9), (2, 5), (3, 3), (4, 7), (5, 2), (6, 8), (7, 4), (8, 6), (9, 1), and (10, 10).
