

The image shows a 3x3 grid of 9 sub-grids, each 3x3 in size. The sub-grids are separated by thick black lines. Within each sub-grid, there are numbers 1 through 9. Some numbers are in black, and some are in grey. Grey circles are placed in some cells, and lines connect these circles to corresponding circles in other sub-grids, indicating a global constraint across the entire 27x27 grid.

6 2 9 4	 8	5 1
7 9 3 1 8	 1 	4 9 5
 7 3 8 3	4 7 5 3	8 1 5 9
