

The puzzle grid is a 3x3 arrangement of 3x3 sub-grids. Each sub-grid contains numbers 1-9 and grey circles with numbers. Lines connect circles horizontally, vertically, or diagonally. The goal is to place numbers 1-9 in empty cells such that no number is repeated in a row, column, or along a connected line.

4 3 9 1 8 5	5 3 2 8 1 4	3 6 7 4 5 8 9 6 2
