

The image displays a 3x3 grid of 9 different 15-puzzle states. Each state is represented by a 4x4 grid. A black dot indicates the position of the blank tile (tile 15). The numbers 1 through 14 are placed in the other cells. The states are connected by arrows, showing a sequence of moves from the top-left state to the bottom-right state.

State	Row 1	Row 2	Row 3	Row 4
1	7	8	2	
2	9	5	3	
3	2	4		
4	8	2	3	
5			8	5
6			1	3
7				
8				
9
