

The image shows a 4x4 grid divided into four 2x2 quadrants by a central cross. The grid contains numbers and grey circles representing links. The connections are as follows:

- Top-Left Quadrant:**
 - 8 is connected to a circle at (1,3).
 - 9 is connected to a circle at (2,1).
 - 7 is connected to a circle at (2,3).
- Top-Right Quadrant:**
 - 4 is connected to a circle at (2,4).
 - 8 is connected to a circle at (2,3).
 - 9 is connected to a circle at (2,4).
 - 1 is connected to a circle at (2,4).
- Bottom-Left Quadrant:**
 - 5 is connected to a circle at (3,1).
 - 9 is connected to a circle at (3,3).
 - 1 is connected to a circle at (3,1).
 - 7 is connected to a circle at (3,3).
- Bottom-Right Quadrant:**
 - 5 is connected to a circle at (3,4).
 - 2 is connected to a circle at (3,3).
 - 6 is connected to a circle at (3,4).
 - 5 is connected to a circle at (3,4).
